After School Care Snack Program

The After School Care Snack Program (ASCSP) is a federal reimbursement program established by the U.S. Department of Agriculture (USDA). The program provides reimbursement to schools such as OSSB in an effort to help us serve nutritious snacks to students after their school day ends. The program provides a nutritional boost and encourages participation in supervised activities that are safe, fun and filled with learning opportunities.

At OSSB we encourage our students and staff to be health conscious and offer healthier meals and snacks which contain more fruits, vegetables and whole grains.

The USDA has provided a nutritional guideline for the program and those are provided on the following pages.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](#), (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
