Dear Journal:

My favorite highlights of the trip to California. The first was marching in the Rose Bowl Parade. I really enjoyed all the people cheering for me and the rest of the band. It was a lot of fun to play in front of all those people. Because we was showing to the world, that we can play in a real marching band.

Next was Band Fest it was a lot of work. That turned in to a lot of fun in the end. I really enjoyed doing our Parade Review because when we started. It sounded like a title wave coming at us. It was so overwhelming as soon as we were done. I just put my drum down and started bursting out tears of joy for me and for the band. And that really overwhelmed me a lot.

Next was when we went to the Rose Bowl game with the Ohio State Buckeyes and Oregon. Which we won 26 to 17. I was really pumped up about the game. Because it was my first game I was going to. And when we scored that 26, to 17 lead in the fourth quarter. I knew our defense was going to play hard from there on out. And I thought it was a lot of fun to see Terrell Pryor be as active as he was against the Oregon defense.

Last was Universal Studios we went on Saturday. I thought the Studio Tour was awesome. We got to see Jaws come up out of the water. I got to see the legune where they filmed King Kong. It was a lot of fun to see all the stuff. I got to see how they made explosions. I thought it was cool how you could really feel the heat from the explosion as it went off. I also got to see how they made earthquakes. I really had a good time in California it was a lot of fun to be there.
