

OSB180004

Ohio State School for the Blind (OSSB) – Kitchen Equipment Replacement Project
5220 N. High Street, Columbus, OH 43214

Bids Due: 2pm EST, 4/27/2018 ; by emailing to rfs@osdb.oh.gov.

SCOPE:

Need replacement and installation of various kitchen equipment to provide an updated, useful working environment for food service at the Ohio School for the Blind (OSSB). Following list includes current equipment needing replacement with similar pieces and additional considerations for each item:

1. Dish Machine: Current model is Hobart CRS76A 208-240, 3 Phase, 60 HZ, 14.5 AMP. Serial # 85-1014209. Dish machine would require a booster water heater. Current model for water heater is Hatco (no model number available). Dish washer area would also need to replace the stainless steel feed and exit area tables.
2. Walk in Freezer: Current model is Heatcraft Model 120BJ 208-240, Single Phase, 60 HZ with inside dimensions of 146”L X 88” W X 92.5”H. Replace to include inside condensing unit, outside compressor and automatic door closer.
3. Steam Kettle: Current model is Groen 19 GPT Direct Steam Kettle

Pre-Bid Meeting: To schedule a time to visit and view the project location, contact Karen Knisley at 614.468.8935 or knisley@osdb.oh.gov.

Bid Documents: Companies will submit proposals on the project with detailed pricing requirements and timelines (approximate time lengths). Bids will be evaluated on availability to complete work and cost. Any relevant references that correspond to this type of project are optional, but would be considered in the bid process. Please submit all questions in writing.

For More Information: Email Building Maintenance Superintendent, Chris Simonson, simonson@osdb.oh.gov, or call cellphone 614.230.1844 or Building Maintenance Supervisor, Daric Scott, scottj@osdb.oh.gov or call at cellphone 614-679-2639.
